

Adult Dental Clinic New Patient Packet

Our non-profit clinic provides free dental care to qualifying residents of Fairfield, Lexington and Richland counties. Our goal is to provide quality care to as many patients as possible, therefore we ask for your help to make your time spent with us productive.

ARRIVE PREPARED:

- Read the attached packet for eligibility
- Collect documentation of your proof to qualify
- Complete New Patient Packet prior to your arrival
- Complete Health History with accurate Information

ARRIVE ON TIME:

Appointments are available for treatment with the dentist.

REMAIN AT THE CLINIC:

Be prepared to stay in the clinic for several hours. Take your medication as prescribed by your physician and have a nourishing meal prior to arrival. All patients are asked to remain in the clinic until their treatment is complete. The doctor will see you as soon as possible.

For their safety, do not bring children to the clinic.

NOTICE OF PRIVACY PRACTICES

THIS NOTICE DESCRIBES HOW HEALTH INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED, AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW CAREFULLY. THE PRIVACY OF YOUR HEALTH IS IMPORTANT TO US.

OUR LEGAL DUTY: We are required by applicable federal and state law to maintain the privacy of your health information. We are also required to give you this Notice about our privacy practices, our legal duties, and your rights concerning your health information. We must follow the privacy practices that are described in this Notice while it is in effect. This Notice is now in effect and will remain so until we replace it. We reserve the right to change our privacy practices, and the terms of the Notice at any time, provided such changes are permitted by applicable law. We reserve the right to make the changes in our privacy practices and the new terms of our Notice effective for all health information that we maintain, including health information we created or received before we made the changes. Before we make a significant change in our privacy practices, we will change the Notice and make the new Notice available upon request. You may request a copy of our Notice at any time. For more information about our privacy practices or for additional copies of this Notice, please contact us using the information above.

USES AND DISCLOSURES OF HEALTH INFORMATION: We use and disclose health information about you for treatment, payment, and healthcare operations. For example—

Treatment: We may use or disclose your health information to a physician or other healthcare provider providing treatment to you.

Payment: Currently, the Programs provide services free of charge. We may use and disclose your health information to obtain payment for services we provide you.

Healthcare Operations: We may use and disclose your health information in connection with our healthcare operations. Healthcare operations include quality assessment and improvement activities, reviewing the competence or qualification of healthcare professions, evaluating practitioner and provider performance, conducting training programs, accreditation, certification, licensing, or credentialing activities.

Your Authorization: In addition to our use of your health information for treatment, payment or healthcare operations, you may give us written authorization to use your health information, or to disclose it to anyone for use or disclosures permitted by your authorization while it was in effect. Unless you give us a written authorization, we cannot use or disclose your health information for any reason except those described in the Notice.

To Your Family and Friends: We must disclose your health information to you, as described in the Patients' Rights section of this Notice. We may disclose your health information to a family member, friend or other person to the extent necessary to help with your healthcare or with payment for your healthcare, but only if you agree that we may do so.

Persons Involved In Care: We may use or disclose health information to notify, or assist in the notification of (including identifying or locating) a family member, your personal representative or another person responsible for your care, of your location, your general condition, or death. If you are present, then prior to use or disclosure of your health information, we will provide you with an opportunity to object to such uses or disclosure. In the event of your incapacity or emergency circumstances, we will disclose health information based on a determination using our professional judgment disclosing only health information that is directly relevant to the person's involvement in your healthcare. We will also use our professional judgment and our experience with common practice to make reasonable inferences toward your best interest in allowing person to pick up filled prescriptions, medical supplies, x-rays, or other similar forms of health information.

Marketing Health-Related Services: We will not use your health information for marketing communications without your written authorization.

Required by Law: We may use or disclose your health information when we are required to do so by law.

Abuse or Neglect: We may disclose your health information to appropriate authorities if we reasonably believe that you are a possible victim of abuse, neglect, or domestic violence or the possible victim of other crimes. We may disclose your health information to the extent necessary to avert serious threat to your health or safety, or the health or safety of others.
